# Le Weekend 2009

STIRLING'S NO LIMITS MUSIC FESTIVAL

**FOR IMMEDIATE RELEASE / 5 MAY 2009**

## **JAZZSTEPPA & THE MOODY BOYZ AT LE WEEKEND**

With just under a month to go until the 12th Le Weekend festival in Stirling we are thrilled to announce that **Jazzsteppa** and **The Moody Boyz** are set to headline the festival's final day.

The final headline slot of the festival had been in doubt when **Broadcast** withdrew because of their recording schedule and the hunt was on to find a replacement.

Jazzsteppa will now bring the festival to a head spinning, thumping finale, with their dark take on dubstep and they will be joined by dubstep legend, Tony Thorpe and The Moody Boyz.

Director Alasdair Campbell, "This was a real opportunity to change the direction of the festival and to step out from our comfort zone. Jazzsteppa and The Moody Boyz will be a fitting end to the 12th Le Weekend."

Other highlights include a festival exclusive from Adrian Utley (Portishead) and Drew Mulholland (The Mount Vernon Rifles), the UK premiere of Eddie Marcon and performances from Keith Rowe, Hélène Breschand, Evangelista, Julian House/Ghost Box and Dimension X.
